*Dear pupils,*

*In the 8th grade, all pupils volunteer in different places around town. As a volunteer you have a chance to help others and give back to your community\*.*

*There are many ways to volunteer. For example, pupils who like animals can help at the animal hospital. They will feed, walk and play with the animals. Some pupils choose to help cook lunch for poor people and bring it to them. Others help clean parks around town and take care of the gardens.*

*You can read about our pupils' experiences on the school's website. I will be happy to hear your ideas too. Together we will choose the best place for you. If you have any questions, I will answer them in class. Remember, by doing a little you can make a big difference.*
